

## *Tito Musyoki Rural Community Development Organization*

Greetings TM Community,

We are excited about 2025. There has been a new pastor hired for the church plant in Ngunyumu. In the photo left to right is Ruth Okello, new Pastor Elly Lugwili, his wife and daughter, Rev. Mativo one of the governing council members of Ngunyumu Christian Center, Eunice- Sunday school teacher, and unnamed church member.

Pastor Elly Lugwili has a master's degree in theology. He has also agreed to set up theology classes at the Kambusu Training Center. New Hope Church in Haslett has provided 40 children's Adventure Bibles. There has been great interest from the children in the community for the Vacation Bible School (VBS) and Sunday School. The bibles will be a great asset to the children's program.

The Radiant Church mission trip is in August this year. The trip will be a training mission focusing on the area pastors, local school teachers, and teens from the community. The fifth floor has been added to the training center as construction continues. Doors, windows, a kitchen, and plastered walls are still needed. But the building will be far enough along to hold the seminars on separate floors. Also starting this year will be a theology course and a carpentry course. These courses were made available through a Kingdom Advancement Grant from Trinity Church. The carpentry class will consist of on-the-job training as they construct furniture for the Training Center, including tables, chairs, and bookshelves.

Here is the team of six instructors on this mission. Ruth has been meeting with the community to identify their most critical needs. Education for these three groups was at the top of the list of their needs. Please pray for the seminars to have a positive impact and soles would be saved.

Pastors Seminar

Nate and Tara Johnson  
Teens Seminar

We are praying for funds to complete the Training Center with doors and windows. If God lays it on your heart to support this vibrant ministry, you can donate through PayPal or with a debit or credit card on the website, [tm-ministry.org](https://tm-ministry.org) or send a check to TM Rural Community Development c/o Karen Jones, Treasurer, 10562 K Drive South, Burlington, MI 49029.

May God bless you and keep you always.
